Peach and Mango Tea Granita

From the teas.co.uk wiki

A fruit granita is one of the simplest summer puddings going, and a peach and mango tea has exactly the flavour to carry it. You brew the tea good and strong, sweeten it while it is still hot, then blend it with fresh peach and mango and a squeeze of lemon to keep things bright.

It freezes in a shallow tray, and a quick drag of a fork every twenty minutes is all it takes to set it in soft, flaky shards rather than one solid block. Makes about 600ml, enough for six small scoops.
