Peach and Mango Iced Tea Punch

From the teas.co.uk wiki

This is a big, easy bowl of a drink for when people are round and you want something that mostly looks after itself. Brew the peach and mango tea strong, cool it right down, then build it over plenty of ice with sparkling apple juice, fresh lemon and a good top of soda for fizz.

The diced peach and mango are not just for show; they keep bobbing up as people ladle it out and stop the punch tasting thin once the ice starts to melt. Makes about a litre, enough for four decent glasses.
