

## Iced Sweet Ginger Fizz

From the Teas.co.uk wiki

This is about as close as you will get to a proper homemade ginger ale, without the manufactured fizz and sugar. You brew the ginger tea strong with a coin of fresh ginger, sweeten it lightly with honey, cool it right down, then pour it over ice and lengthen it with soda water.

A wheel of lemon at the end sharpens the whole thing up. It is the kind of drink you want on a hot afternoon, and the fresh ginger gives it a warm bite at the back that bottled ginger drinks never quite manage.
