Fennel and Liquorice Cordial

From the teas.co.uk wiki

If you like aniseed flavours, this is a grown-up sort of soft drink. Fennel and liquorice are already sweet and aromatic, and a crushed star anise in the brew pushes the anise note further, so it cooks down into a fragrant, naturally sweet syrup.

One part to four parts soda over ice makes a fennel-anise spritz, dry and refreshing rather than sugary. It is caffeine-free, and being so aromatic, a little goes a long way.
