

A Cup of Soursop and Moringa

From the Teas.co.uk wiki

This pairs earthy moringa with soursop, a tropical fruit with a soft, creamy, slightly citrus flavour. The fruit rounds off moringa's green, vegetal edge, so it makes a gentler, more approachable cup than moringa on its own.

Like all moringa, brew it just off the boil rather than fully boiling, which keeps it smooth rather than bitter. Four minutes is enough, and it is caffeine-free, so it is fine at any hour.
