

Jasmine Green Tea Lemonade

From the Teas.co.uk wiki

This **jasmine green tea lemonade** is what bottled iced tea wishes it was: floral, tart and barely sweet, with the fizz of sparkling water lifting the jasmine right up off the glass. The method is a brew-strong-then-lengthen trick, so the tea flavour holds up once the lemon and bubbles go in rather than washing out.

It uses Twinings Jasmine Green Tea brewed as a concentrate. Make the base ahead, keep it in the fridge, and build glasses to order all afternoon.
