Jasmine Green & Hibiscus Cooler

From the teas.co.uk wiki

This is a proper two-tea blend: floral **jasmine green** brewed alongside tart, ruby-red **hibiscus**. On their own each has a weakness, as the jasmine green can be slight and the hibiscus can be sharp, but together they balance out. The green tea rounds the hibiscus off, while the hibiscus gives the jasmine colour, body and a berry edge.

It pairs Twinings Jasmine Green Tea with Good Earth Hibiscus, Rose and Sweet Berries. Brew both together, chill, and serve long over ice.
