Tetley Green Tea Lemonade

From the teas.co.uk wiki

Tetley Green Tea Lemonade is a homemade cooler that puts the tea front and centre instead of hiding it under sugar. Cooled green tea gives it a smooth, slightly grassy backbone, fresh lemon brings the tartness, and a splash of fizz lifts the whole thing into a long, refreshing summer drink.

Makes two glasses and there is no alcohol in sight, so it suits everyone at the table. Brew the green at 80C as usual to keep it sweet rather than bitter, then let the lemon and a touch of honey do the rest.
