

## Iced Tetley Green Tea with Lemon

From the Teas.co.uk wiki

**Iced Tetley Green Tea with Lemon** is one of the easiest iced teas to get right, because the lemon is already in the blend. There is no need for sugar syrup or a squeeze of citrus, just a properly brewed green tea poured over ice that tastes naturally bright and clean.

Serves one. The only trick is to brew it double strength so the melting ice dilutes it back to a balanced cup rather than a weak one, and to keep the water at 80C so the concentrate stays smooth instead of bitter.
