

## Warming Honey, Ginger and Lemon Green Tea

From the Teas.co.uk wiki

**Warming Honey, Ginger and Lemon Green Tea** takes the bright lemon green and turns it into a comforting mug for a cold day. Fresh ginger brings a gentle warmth, honey rounds off the citrus, and the green tea keeps the whole thing light rather than heavy.

Serves one. Brew the green at 80C as always so it stays smooth, and steep the ginger alongside it so its warmth has time to come through. Leave the ginger in for a stronger, spicier mug.
