Lemon Green Tea Sorbet

From the teas.co.uk wiki

Lemon Green Tea Sorbet is a clean, zingy frozen dessert that uses a strong brew of the lemon green as its base. The tea gives it a gentle, fragrant edge behind the citrus, and because it is dairy-free it lands light after a rich meal rather than heavy.

Serves four. Brew the green strong but still at 80C so the base stays sweet, and you can churn it in an ice cream maker or fork-freeze it in a tub. Either way you get a soft, scoopable sorbet.
