How to Brew Tetley Green Tea with Mango and Passion Fruit

From the teas.co.uk wiki

Tetley Green Tea with Mango and Passion Fruit is the tropical one in the range, and it deserves the same gentle brewing as any green: water a little off the boil and a steep that does not drag on. Brewed well, sweet mango comes through first, then a tangy passion-fruit lift, all sitting on a smooth green base, juicy-tasting with no sugar in it at all.

The fruit only shines if the green underneath has not been scorched, so let the water cool a little below boiling before pouring. Straight off a hard boil and the base turns bitter, which buries the fruit.
