Iced Tetley Green Tea with Mango and Passion Fruit

From the teas.co.uk wiki

Iced Tetley Green Tea with Mango and Passion Fruit tastes like a proper tropical iced tea, and because the fruit is already in the blend there is no need for sugar syrup or cordial. It is just a well-brewed green tea poured over ice, sweet with mango and lifted by tangy passion fruit.

Serves one. Brew it double strength so the melting ice dilutes it back to a balanced cup rather than a weak one, and keep the water at 80C so the concentrate stays smooth instead of bitter.
