# Tropical Green Tea Granita

From the teas.co.uk wiki

**Tropical Green Tea Granita** is a light, flaky frozen dessert built on a strong brew of the mango and passion fruit green. It is dairy-free and barely sweetened, so it lands clean and refreshing rather than rich, with the tropical fruit doing most of the work.

Serves four. Brew the green strong but still at 80C so the base stays sweet, then freeze it in a shallow tub and scrape it through with a fork now and then to build the icy flakes.
