Matcha Style Whisked Cup with Tetley Decaf Pure Green Tea

From the teas.co.uk wiki

Matcha Style Whisked Cup gets you a frothy, vivid green cup without buying matcha, by whisking the fine leaf straight into the water instead of steeping the bag. With Tetley Decaf Pure Green you get the matcha routine and a fuller, greener cup, with no caffeine at all.

Serves one. Keep the water at 80C as always, and use a small whisk or a milk frother to work up the froth. The cup will be a little cloudy, which is the fine leaf itself.
