The Builder Strength Cup of Yorkshire Tea Gold Blend

From the teas.co.uk wiki

Gold is the step up from Yorkshire Tea's everyday red box, blended by Taylors of Harrogate from Assam, Kenyan and Rwandan leaf. It pours a darker colour and tastes rounder and fuller, yet it is still very much a builder's brew, not a delicate one.

Treat it the way it likes to be treated: a hard rolling boil and a proper long steep, then milk to taste.
