Iced Cherry Bakewell Tea with Yorkshire Tea

From the teas.co.uk wiki

The Cherry Bakewell brew makes a brilliant iced tea. Chilled down, the cherry turns bright and juicy, the almond keeps it from being one-note, and a squeeze of lemon sharpens the whole thing up. It really does drink like a pudding in a glass.

It fills a jug for four. Brew it strong, sweeten lightly while warm, then pour over plenty of ice with a few fresh cherries.
