A Matcha-Style Whisked Cup of Everyday Green Tea

From the teas.co.uk wiki

You can get close to matcha without buying it, just by whisking the leaf instead of steeping it. Snip open a green teabag, tip the fine leaf into the water and whisk it up, and you get a vivid green cup you drink leaf and all.

Keep the water at 80C and use a small whisk or a milk frother. The cup will be a little cloudy, which is simply the leaf in suspension.
