Green Tea Granita (Italian Cafe Style)

From the teas.co.uk wiki

Granita is the flaky Italian cafe ice, and green tea makes a lovely one. You build it on a strong brew of the everyday green, sweeten it lightly, sharpen it with lemon, then freeze it in a shallow tub, scraping it through with a fork as it sets so it turns to soft icy crystals rather than a solid block.

It serves four and is dairy-free. Brew it strong but still at 80C so the base does not turn bitter.
