How to Make a Cup of Typhoo QT Instant Tea

From the teas.co.uk wiki

Typhoo QT is instant tea with the milk powder already in it, so there is no bag to brew and nothing to add. You spoon the granules into a mug, pour on hot water and stir, and that is the whole job.

It is built for speed: a desk, a campsite, anywhere you have a kettle and a spoon but not much else. Use more or fewer granules to make it stronger or weaker.
