Creamy Tea Martini with Typhoo QT Instant Tea

From the teas.co.uk wiki

This is an espresso martini's idea applied to tea. Shake a strong, cooled instant tea hard with vodka and the built-in whitener throws up a glossy, frothy top, much like the foam on top of one. It is a clever little after-dinner drink.

Dissolve the tea strong and chill it first, then shake hard over ice. Leave out the vodka and lengthen with more tea and a splash of soda for an alcohol-free version.
