Salted Caramel Green Tea Granita (No-Churn)

From the teas.co.uk wiki

Granita is the Sicilian way of turning a strong, sweet drink into a spoonable frozen pudding, and a good strong steep of Twinings Salted Caramel Green Tea takes to it well. Brew it on the strong side, sweeten while it is warm, freeze it flat in a shallow dish, then rake it with a fork as it sets. No ice-cream maker, no churning.

This makes four small bowls, and apart from a quick fork-through every half hour it looks after itself.
