Mango and Lychee Green Tea Granita (No-Churn Fruit Sorbet)

From the teas.co.uk wiki

Treat this like a fruit sorbet you can make in a freezer drawer. A strong, sweetened brew of Twinings Mango and Lychee Green Tea, sharpened with a little lime, sets into a tray of ice that you rake with a fork until it is loose and flaky. The fruit comes forward once it is frozen, and there is no ice-cream machine in sight.
