How to Brew Twinings Apple and Pear Green Tea (80C, 2 Minutes)

From the teas.co.uk wiki

Apple and pear are gentle flavours, so this Twinings green needs a soft touch to show them off. Let boiled water cool to about 80C, checking with a thermometer or a temperature-controlled kettle, steep for two minutes, and you will taste mellow orchard fruit on a clean green leaf. Push the heat higher and the fruit fades while the tea turns sharp.
