How to Brew Twinings Gingerbread Green Tea (80C, 2 Minutes)

From the teas.co.uk wiki

Twinings Gingerbread Green Tea is more of a treat than a plain green, but it still wants gentle handling. Bring the kettle off the boil, give it a minute to reach about 80C, and brew for two minutes so the warm gingerbread spice settles over the green leaf instead of turning it harsh. A splash of milk tips it towards pudding.
