

The Proper Hot Cup of Twinings Pomegranate Green Tea (80C, 2 Minutes)

From the Teas.co.uk wiki

Pomegranate brings a sharp, tangy edge, and it shows best when the green tea underneath is treated gently. Cool the kettle to around 80C, steep for two minutes, and you get bright, tart fruit sitting on a soft leaf. Brew it any hotter and the tea turns astringent, which only fights the fruit.
