Camomile and Honey Gin Spritz

From the teas.co.uk wiki

Camomile takes happily to gin, especially a floral one. Brewed double-strength and chilled, a camomile and lemongrass tea brings a honeyed, lightly citrussy base to a long spritz, then soda takes it the rest of the way. Works best in a tall glass with a generous amount of ice. One measure of gin per glass, for over-18s.
