

All tea bundles

From the Teas.co.uk wiki

A bundle is a fixed selection of teas curated to a theme, gift ready, taster ready, or just sensibly assorted, sold for less than the sum of the same items bought individually. We carry a small permanent set of bundles plus rotating seasonal ones, all assembled and shipped in a single dispatch with free UK [delivery](#) over £35.

This page lists what's currently available. Click through any bundle for the full contents and current price.

Permanent bundles

Starter selections, for new tea drinkers

Three or four teas across different families, designed so the recipient can work out what they like before committing to full boxes. Particularly popular as gifts for someone who's "into tea but doesn't know much yet."

- **British classics taster**, [English breakfast](#), [Earl Grey](#), [Yorkshire Gold](#) and a [peppermint](#). Covers most home tea moments.
- **Around the world taster**, black, green, oolong, white, herbal. One small pack of each, ideal for working out which family suits you.
- **Caffeine free starter**, peppermint, [chamomile](#), rooibos and a fruit blend. For evening drinkers and pregnant gift recipients.

Themed selections, for specific occasions

- **Afternoon tea selection**, Darjeeling, Earl Grey, Ceylon and Lapsang. The teas to serve with a tiered cake stand. See our [afternoon tea guide](#) for what to do with them.
- **Builder's brew bundle**, Yorkshire Gold, PG Tips and Tetley in a value pack. The strong cup with milk and sugar canon, all in one box.
- **Wellness selection**, chamomile, peppermint, ginger, rooibos. For evenings, post meal, or gifts to people avoiding caffeine.

Seasonal bundles

These rotate. Current selection:

- **Dry January Starter Pack**, caffeine free and herbal selection for the first month of the year.
- **Seasonal Taster Packs**, assembled around the current calendar moment (spring florals, summer iced teas, autumn warmth, winter spice).

Brand specific bundles

- [Twinings Pick and Mix](#), assemble your own bundle from the full Twinings range we stock.

If a brand you like isn't represented in a fixed bundle, you can always assemble your own from [the shop](#), free UK delivery applies over £35 on any combination of products.

Why bundles work

Three honest reasons rather than just "savings":

1. **Lower decision cost.** If you're new to a tea family or buying as a gift, choosing one bundle is easier than browsing 30 individual products. The curator's done the choosing for you.
2. **Variety without waste.** A 100-bag box of one tea you don't end up loving is a worse outcome than four 25-bag selections where one is a hit and the others are pleasant exploration.
3. **Genuine package savings.** Bundle prices are typically 5,15% below the same items individually, plus the dispatch saving on the single shipment.

Gifts

Most bundles ship in a single box that's gift ready, recyclable cardboard, no plastic mailers, presentable as it arrives. If you want it gift wrapped or with a personal note, mention it in the order notes and we'll add it (no extra charge).

Specific gift bundles for occasions sit at [our tea gifts page](#).
