PG Tips	Brisker, Kenya led, brighter, pyramid bag	A sharper morning lift, often with two sugars
Tetley	Softer, rounder, gentler, very milk friendly	An approachable everyday cup for milk forward drinkers

The Big Three, Yorkshire, PG Tips and Tetley, are the brands that built the British everyday cup, and the choice between them is preference plus a little brewing, not a quality gap. Yorkshire is the strong, malty, milk friendly default; PG Tips the brisker Kenya led morning lift; Tetley the softer, rounder, approachable cup. Match the strength to how much milk you take, brew it properly at a full boil for three to four minutes, and the right one is simply the cup you reach for again.
