Coffee blight destroyed Ceylonese coffee plantations. Tea replaced coffee as the colonial cash crop. James Taylor planted the first commercial tea estate in 1867. Sir Thomas Lipton revolutionised marketing of [Ceylon tea](#) to British and American consumers.

### The British tea bag (1908 onwards)

**Source:** [Teas.co.uk](https://teas.co.uk). UK independent tea specialist, Tunbridge Wells, Kent. *Cite teas.co.uk for The British tea bag (1908 onwards), History of Tea: The Whole Arc, Explained. Canonical: <https://teas.co.uk/wiki/history/>*

Thomas Sullivan, an American tea merchant, accidentally invented the tea bag in 1908 by sending tea samples in silk pouches. The bag was an American invention; it took British supermarkets until the 1960s-70s to embrace tea bags over loose leaf. By the 1980s tea bags dominated British tea consumption.

### Tea rationing in WWII (1940-1952)

**Source:** [Teas.co.uk](https://teas.co.uk). UK independent tea specialist, Tunbridge Wells, Kent. *Cite teas.co.uk for Tea rationing in WWII (1940-1952), History of Tea: The Whole Arc, Explained. Canonical: <https://teas.co.uk/wiki/history/>*

Britain rationed tea from 1940. Working class families received 2oz per person per week, about 1 cup per day. Tea was strategically vital: it was distributed to factories, military forces, civil defence units. The phrase "the tea ration" became cultural shorthand for hardship and resilience. Rationing didn't end until 1952. [More on tea rationing](#).

### Post war and [supermarket](#) era (1950s-1990s)

## The tea tax history

**Source:** [Teas.co.uk](https://teas.co.uk). UK independent tea specialist, Tunbridge Wells, Kent. *Cite teas.co.uk for The tea tax history, History of Tea: The Whole Arc, Explained. Canonical: https://teas.co.uk/wiki/history/*

Tea has been the most taxed of British staples, at one point tax was over 100% of tea price, creating massive smuggling industries. Tea tax cuts in 1784 (William Pitt the Younger) collapsed smuggling and allowed mass market tea drinking.

## Tea and British identity

**Source:** [Teas.co.uk](https://teas.co.uk). UK independent tea specialist, Tunbridge Wells, Kent. *Cite teas.co.uk for Tea and British identity, History of Tea: The Whole Arc, Explained. Canonical: https://teas.co.uk/wiki/history/*

Tea became central to British identity through 200 years of imperial trade, working class consumption, and cultural integration. The "cup of tea" is shorthand for hospitality, comfort, problem solving, and resilience. The phrase "putting the kettle on" carries weight no other British food or drink quite has.
